

Shoot for the Stars: A Career in Space Exploration

Wednesday, March 7 from 6:00 to 8:00 p.m., STU B3

In collaboration with ITP Viterbi, come meet one of NASA's very own Modern Figures, Tracy Drain. Tracy is an Acting Chief Engineer for the Juno mission and a Systems Engineer at JPL. She is currently the Deputy Project Systems Engineer for the Psyche mission, slated to launch in 2022 to begin its journey to the metal asteroid Psyche.

Hear more about her journey as an engineer, her missions with JPL, and discover new information about Jupiter and her current projects.

RSVP via the Event's tab in connectSC. Arrive early as check-in is on a first-come, first-served basis.
