

### RECRUIT VITERBI ENGINEERS

Connect with top talent through strategic student engagement, early talent identification, and recruitment events. Viterbi School of Engineering offers various flagship events throughout the academic year for employers to connect with students across all engineering majors.

**Register on Viterbi Career Gateway or contact us to schedule your events.**

<b>1/30</b> <b>Career &amp; Internship Expo</b>	<b>4/1</b> Spotlight Panel: AST/Aero/ME
<b>2/5</b> CED Mock Interviews Day	<b>5/1</b> Last Day of Classes

### Career & Internship Expo

The Viterbi Engineering Career & Internship Expo pairs our Career & Internship Fair with specialized breakout sessions, Meet & Greets, Coding Challenges / Case Studies, and Trojan Talks for employers to engage with Viterbi students. Table, present and reserve interview space all in one event!

### Tabling On Campus / Trojan Talks

Table in the Epstein Family Plaza to enjoy maximum exposure to student traffic at the center of Viterbi, or host a Trojan Talk in one of Viterbi's auditoriums. Trojan Talks may include tech talks, coding challenges, resume reviews, panels, presentations, or demo's.

### Alumni & Industry Spotlight Panels

The Viterbi Alumni and Industry Spotlight is a series of panels offered throughout the academic year that bring Alumni and industry professionals on campus to answer questions from students about life after graduation. Each panel highlights a different Viterbi major and closes with networking.

### Company Treks

Host a Company Trek to pair recruiting with experiential learning. Treks may include a tour, product demo, panel, or networking event at your location. Small groups of 15-20 students attend in hopes of networking with Alumni, company leadership and employees.
