janssen  | PHARMACEUTICAL COMPANIES OF *Johnson & Johnson*

Scholars of Oncology

Diversity Engagement Program

Registration is open for SODEP's virtual "Janssen Oncology Day." Admissions will be rolling until maximum number of registrants is reached; **registration deadline is August 16, 2021.**

Candidates must submit a CV and confirm that they fulfill the following requirements at janssensodep.com:

- Self-identify as African-American/Black or Hispanic
- Citizens or permanent residents of the United States or Canada
- Full-time PhD students in year 2 or later, PharmD students, medical students in years 1/2, or post-doctoral fellows
- Engaged or interested in oncology, immunology, or other closely related disciplines such as molecular biology, biochemistry, pharmaceutical sciences, computational biology/data sciences, clinical research, and pharmacology.

Phase 1
Up to 100
participants

Industry Exposure at virtual Janssen Oncology Day (September 15, 2021)

A unique opportunity to be exposed to the R&D process within industry and understand the critical skillsets fostering a successful industry career through:

- ✓ Presentations by Janssen Oncology leaders highlighting the many roles available for scientists and physicians in oncology drug development
- ✓ Smaller breakout sessions for in-depth dialogue on what success looks like in industry, transferable skills from academia to industry, etc.

Scholars interested in continuing to the mentorship step of SODEP will submit a personal statement (1-2 pages) highlighting current research interests/interest in the program and 1 letter of reference. Up to 10 scholars will be selected.

Phase 2
10
Participants

Mentorship (application due October 16, 2021)

Scholars will be paired with Janssen leaders in an ongoing 1-year mentoring experience.

- ✓ Receive 1:1 career coaching and guidance from an industry leader
- ✓ Receive \$10,000 stipend for conference travel, research supplies, training courses
- ✓ Gain further insight into pharma industry careers
- ✓ Gain knowledge about pharma industry culture and navigation strategies

Mentors will support scholars in identifying and applying for appropriate open positions at Janssen, where available.

Potential Placement (2022+): Opportunity to join the Janssen team

Finally, based on readiness of scholars and business need, select scholars may be identified as potential candidates for relevant open positions within Janssen Oncology.

We are Janssen, our mission drives us, our patients inspire us, we collaborate with the world for the health of everyone in it. Learn more at www.janssen.com
