MEET THE RISK MANAGEMENT PROFESSIONALS

WEDNESDAY, SEPTEMBER 22, 2021
 6:00 PM - 8:00 PM PACIFIC

Risk management enables organizations to protect their balance sheets, income, employees, customers, reputation, and society from adverse events, such as pandemics, natural disasters, and product failures. Come network with the experts to learn about the risk management profession. Several firms will be recruiting.

Registration required by September 22
 Dress professionally for video chats
