

Lockheed Martin Network of Women (LM NOW)

a virtual mini conference via Zoom

Join us October 14, 2021

1:00 pm - 4:00 pm EST

Meet and speak with women working in STEM and Business at Lockheed Martin – women who thrive, lead, and positively impact their communities. Learn about their career paths and goals and the importance of building relationships, identifying strong mentors, and developing a growth mindset while pursuing your professional and personal goals.

Pre-Register for Virtual LM NOW Event below:
