

Morgan Stanley Hong Kong Technology Insights Day

Get ready to leverage your coding, analytical or engineering skills at Morgan Stanley!

```
#include <iostream>
#include <string>
#include <numeric>
#include <MSCampus.h>
#include <TechnologyInsightsDay.h>

int main ()
{
    Company MS { "Morgan Stanley", "Technology Division" };
    MS.domains = { "Cybersecurity",
                  "Institutional Securities Technology", ...};

    auto domainText = std::accumulate(MS.domains.begin(), MS.domains.end(),
                                       std::string{},
                                       [](auto x, auto y) {return x + y;});

    std::cout << MS.name << MS.division << std::endl;
    std::cout << domainText << std::endl;
    std::cout << "Morgan Stanley Technology Insights Day" << std::endl;
    std::cout << "MS HK Office - ICC; 22 September 2022; 14:00-18:00"
              << std::endl;

    return 0;
}
```

**Morgan Stanley Hong Kong
Technology Insights Day**
22 September 2022 | 14:00 – 18:00
MS HK Office - ICC
