

Walmart-Sponsored Mental Health Break

Attention USC students!

While Walmart is on campus, we want to reinforce the importance of your mental health through mindfulness breaks during high-stress times. Decompress during your busy semester by stopping by the Career Center to grab free snacks, drinks, and Walmart swag. We will also leave QR codes for you to scan and submit your resume on your own time if you're interested in internship or full-time opportunities!

Event Details

Thursday, October 20th
*Stop by anytime between
9:00 AM – 12:00 PM*

USC Career Center
Student Union Building
Room 110 (STU-110)
