

# Home of Possibilities

Join us at Wayfair's Virtual Event Series to learn more about our opportunities for students!

## Information Session

**January 24, 2023 7 p.m. – 8 p.m. EST**

Join us for an interactive info session and panel discussion to learn more about how you can find your home at Wayfair! This session will provide insight into Wayfair's inclusive and collaborative culture, opportunities for students, and application/interview process. From there, a panel of recent graduates and former interns will share their personal and professional experiences from their time at Wayfair, and answer your questions. We hope to see you there!

## Military/Veteran Panel

**February 7, 2023 4 p.m. – 5 p.m. EST**

Please join Wayfair for an information session and panel discussion to hear from military Veterans and members of our military Employee Resource Group (ERG). The session will focus on Wayfair's culture, Military ERG, our philanthropic initiatives with the Veteran community, and panelists' personal and professional experiences. You will learn what it's like to be a Veteran at Wayfair and have an opportunity to ask questions.

## Gender Diversity in Tech

**February 1, 2023 4 p.m. – 5 p.m. EST**

This panel-style discussion will feature Wayfair employees from traditionally underrepresented gender groups (women, trans/non-binary, agender, and non-conforming). The panelists will shed light on their experiences working on teams across the Technology organization, ways they bring their authentic selves to Wayfair, and the company's initiatives to foster gender diversity in the workplace. We will conclude with Q&A and information on our open roles and how to apply.

## Case Prep Workshop

**February 15, 2023 4 p.m. – 5 p.m. EST**

This event will be an informational and interactive opportunity to learn more about Wayfair's case interviews. Throughout the session, you will learn tips and tricks to excel in the case interview and ensure you are set up for success when applying to jobs! This workshop is applicable to all students who would like to learn more about how to stand out and succeed in Wayfair's interview process.
