CAREER & INTERNSHIP BOOTCAMP

Graduate Student Career Readiness

Join VCC for a brief presentation followed by small group break-out sessions. Learn about our events & services to get you career ready. Open to Viterbi Masters or Doctoral students.

Mock Interview Day

Viterbi Mock Interview Day connects students with industry experts and alumni, refining interviewing and networking skills for future success.

Viterbi Career & Internship Expo

Trojan Talks: 1-hour employer sessions for insights on positions, organizational culture, and network with engineering professionals.

Product Demos: 1-hour sessions to see employers showcase products/services, learn more about the organization & network.

Career Fair - The opportunity to connect with 50+ employers during this Viterbi-specific recruitment fair!

Viterbi Trek

Viterbi Trek offers an exclusive on-site opportunity to explore industries, career options, and cultures at various partner organizations.

Alumni Career Panel & Mixer

Alumni Career Panel & Mixer connects students with Viterbi Alumni and industry professionals who will share their career journey & advice on how they landed their internships & full-time jobs.

Career & Internship Bootcamp

Bootcamp includes VCC's top five career workshops for all Viterbi majors & degree levels. Helpful if you are still looking for a job or internship or want to refresh your skills & learn practical tools to achieve your career goals.
