INTERNATIONAL STUDENTS

- Research companies hiring international students through Interstride, www.ucis.gov/h-1b-data-hub, and the Career & Internship Expo employer list published prior to each Expo
- Visit the Office of International Services (OIS) who will help process Curricular-Practical Training (CPT) and Optional Practical Training (OPT) paperwork
 - CPT and OPT are for international students who have completed at least one academic year in the U.S
 - CPT is work authorization that allows international students to participate before graduation in paid-off-campus internships in their field of study
 - OPT is used primarily after graduation, and provides international students the ability to gain employment experience in their field of study. Students should apply 90 days prior to graduation
- Visit viterbicareers.usc.edu/internships to obtain information on earning academic credit for your internship
- Attend OIS workshops and programs to connect with other international students, improve your U.S. cultural proficiency and English language skills
