**GRADUATE CAREER READINESS**
Join the VCC team for a brief presentation to learn about our events & services to get your career ready at the Graduate Career Readiness workshop. Open to Viterbi Masters and Doctoral students.

**How To Get Hired Series (HTGH)**
The How to Get Hired Series is a multi-day series that helps students develop key professional skills while connecting with Viterbi industry partners and alumni.

**Viterbi Career & Internship Expo**
- **Trojan Talks**: 1-hour employer sessions for gaining insights into available positions, the organizational culture, and networking with engineering professionals.
- **Product Demos**: 1-hour sessions for employers to showcase products/services, learn about the organization, and network.
- **Career & Internship Fair**: The opportunity to connect with 100+ employers during this Viterbi-specific recruitment fair!

**Viterbi Trek**
Viterbi Trek offers an exclusive on-site opportunity to explore industries, career options, and cultures at various partner organizations.

**Homecoming Networking Event**
Bring your Trojan Spirit and connect with Viterbi Alumni and professionals across engineering industries at the Homecoming Networking Event! Enjoy food and beverages while learning about company culture, industry insights, and gain advice from distinguished alumni.

**Career & Internship Bootcamp**
Bootcamp includes VCC’s top five career workshops for all Viterbi majors & degree levels. It's helpful for job and internship seekers and those looking to refresh their skills and achieve their career goals.
