### **Graduate Career Readiness**

Join the VCC team for a brief presentation and Q & A to learn about our events & services at the **Graduate Career Readiness** sessions. Open to incoming Viterbi Masters and Doctoral students.

### **Viterbi Career & Internship Expo**

**Recruiting Sessions:** Employers host recruiting sessions, in-person or virtually, for students to gain insights into available positions, the organizational culture, and network with professionals.

**Product Demos:** Employers host in person sessions for students to showcase their products and services, learn about the organization, and network with professionals.

**Career & Internship Fair:** The opportunity to connect with 100+ employers during this Viterbi-specific recruitment fair!

### **Homecoming Networking Event**

Bring your Trojan Spirit and connect with Viterbi Alumni and professionals across engineering industries at the Homecoming Networking Event! Enjoy food and beverages while learning about company culture, industry insights, and gain advice from distinguished alumni.

### **Career & Internship Bootcamp**

**Bootcamp** includes VCC's top five career workshops for all Viterbi majors & degree levels. It's helpful for job and internship seekers and those looking to refresh their skills and achieve their career goals.
