

RESOURCES

HANDSHAKE

Handshake is a career-related resource catered to the needs of Viterbi students. This system allows you to search for engineering internships, co-op, and full-time job postings and filter for positions that offer visa sponsorship. Handshake also contains information about Viterbi-specific events and resources.

VITERBI CAREER CONNECTIONS

Our website offers career-focused support, such as online workshops, a toolkit with sample resumes/cover letters, and interview tips.

GOINGLOBAL

GoinGlobal helps students fast track the international job search with content on topics such as work permit/visa regulations and cultural interviewing advice.

CAREER NETWORK

The USC Career Network is your exclusive online mentoring platform to connect with alumni for career and industry-related experiences.

VMOCK

A powerful AI resume critique tool providing real time custom resume feedback for all students 24/7 tailored to different jobs and industries.

INTERSTRIDE

An interactive career platform designed by international students, for international students to enhance career exploration and their job-search experience.

WRITING CENTER

The Writing Center offers free consultations and small-group workshops to all USC students to develop better writers and to grow skills in critical thinking, drafting and revising.
