

RECRUIT VITERBI ENGINEERS

Connect with diverse talent from the Viterbi School of Engineering through strategic student engagement and recruitment events. Recruitment activities are offered throughout both semesters, and booked on a first come first-served basis. In addition, Viterbi Career Connections offers several signature engagement and recruiting events to connect with engineering students. Each links to a page with event details and registration information.

Viterbi Engineering Recruiting:

Ongoing throughout the semester - On-Campus Recruitment: Tabling Sessions, Coffee Chats, Office Hours Workshops, Interviews and Trojan Talks (Information Sessions) are offered both On-Campus or virtually.
